### ***Remember:***

- ***All Schools must use one of our Official State Conference Hotels and hotel reservations must be made through the State Office!***
- ***The first day to send complete housing lists to the state office is March 5, 2012!***

### ***NEW POLICY!***

Reservations for all hotels must be made via the State Office beginning **March 5, 2012**. All schools **MUST** make their State Conference housing reservations

through the State Office. Any schools making housing reservations on their own and **NOT** going through the State Office, no matter what hotel is being used, ***will be charged an additional \$15 per registered participant.*** This new policy effective starting in 2012 is in place in order to keep the registration fee affordable, since the hotels do not charge or discount meeting rooms fees because we are using the guest rooms.
