

Request for Extension Deadline

Chapter _____ Advisor _____

Email _____ Fax Number (_____) _____-

Conference for which the extension is requested _____

Because SkillsUSA Michigan realizes that some schools have a long lead time to have a check issued for payment, we have developed this procedure for schools to request a two week payment extension. Schools requesting a payment extension need to complete and submit this form at least two weeks prior to the payment deadline. A new form must be submitted for each conference for which an extension is requested.

1. This form must be submitted at least two weeks prior to the printed payment deadline. Registration forms are still required by the deadline.
2. SkillsUSA Michigan will automatically grant a two week extension, if this form is completed and submitted to the state office at least two weeks prior to the printed payment deadline.
3. The Chapter Advisor must obtain the school principal's signature verifying the payment request was submitted at least two weeks prior to the regular payment deadline.
4. These procedures only apply for payments by check.
5. These procedures do not apply for payments due to others besides SkillsUSA Michigan. It does not apply to hotels, travel agencies etc.
6. Only one two-week extension is granted per conference.
7. Email and phone requests will not be granted.
